

YOUR SUSTAINABILITY TRAINING JOURNEY

Are you wondering which NQA Training course is right for you? Follow the steps below to find out which way to turn next.

Is your organisation carbon focused or general sustainability focused?

CARBON

GENERAL

Have you calculated your carbon footprint?

YES

NO

PAS 2060
E-Learning
(0.5 days)

GHG Inventory
E-Learning
(0.5 days)

PAS 2060
Understanding and
Achieving Carbon
Neutrality Training
(Tutor Led - 2 days)

GHG Calculation
and Verification
Training
(Tutor Led - 1 day)

At this point, it would be a great
time to be talking to NQA about
verification for your organisation

ISO 14064
Lead Verifier
Training
(Tutor Led - 4 days)

We offer a great range of courses to support sustainability in our organisation

ISO 26000 / ISO 20121
E-Learning
(0.5 days)

ISO 50001
E-Learning
(0.5 days)
