YOUR PRESENTER

Henry Igoe **Business Development Manager**

Henry has worked in the certification industry for over a year as a Business Development Manager. His role includes presenting tenders, providing quotes and answering queries for large company certification and answering training enquiries and is responsible for ensuring the continuity of customer service levels to both existing and new clients at NQA.

Henry is a CQI and IRCA qualified Lead Auditor for ISO 9001:2015 as well as having attended a number of training courses such as Internal Auditor and Introduction, Implementation training which has given him a broad knowledge base across all of NQAs services.

- Reasons to consider transferring your certification
 - The transfer process
 - Transfer timescales
 - How much does it cost to transfer?
 - Why should you choose NQA?
-

REASONS FOR TRANSFER

Poor Service

- Majority of clients
- Demand Satisfaction!
 - Level of service
 - Level of communication
 - Consistent auditor
 - Approach to certification

Re-Tender

- Contractual Requirement
- Public Sector / Large Multi-site
- Changes within your organization
- Pressure to use a certain provider
- Parent pressure
 - Acquisition
 - “Always used...”

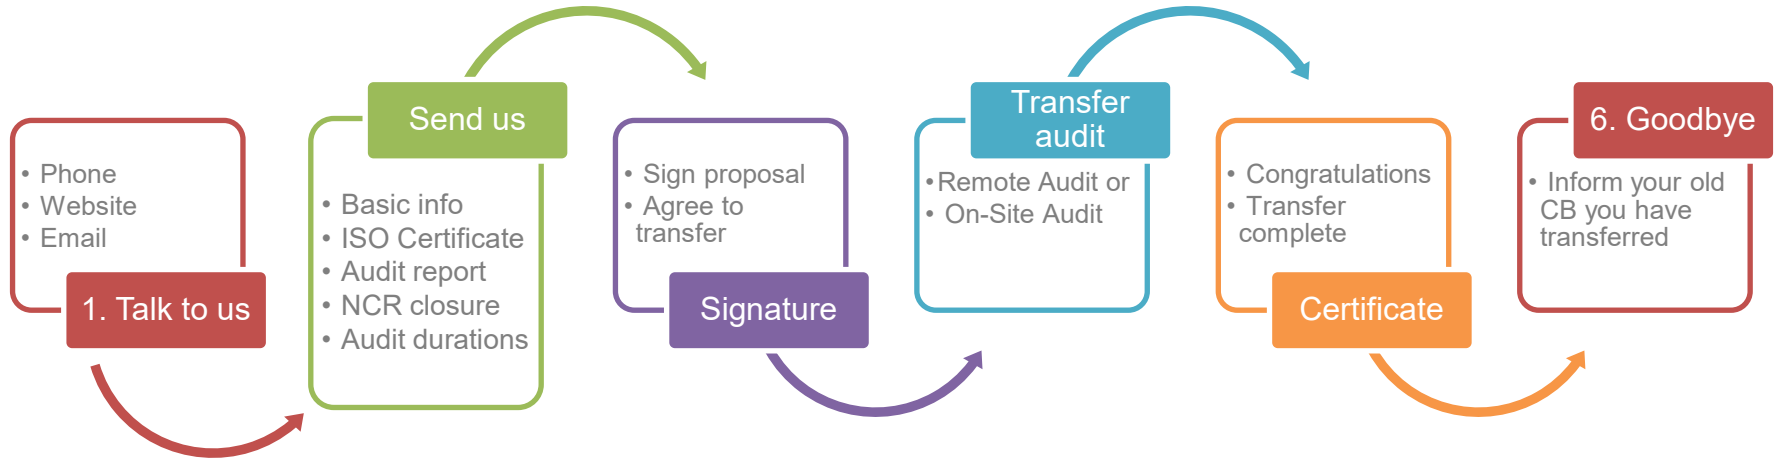

Multiple ISO, Different CB

- Shop around for the “best deal”
 - Fair
 - Accurate
- Different level of service
- Different auditors
- Different prices
- Efficiencies and cost savings lost
 - IMS benefits
- Changes within your organization
